

Tiny Home Appliance Guide

This report is conducted by Sean Armstrong, Kevin Miller, Winessa Nartia-Stockart, & Kathrine Sanguinetti.

Introduction

The purpose of this guide is to provide recommended all-electric appliances for tiny, small, and mid-sized homes. Tiny homes are considered to be 100-350 ft² (1-2 people) small 350-1000 ft², (2-3 people) and mid-sized 1000-2500 ft² (3-5 people). This guide includes appliances for water & space heating, entertainment (T.V.), lighting, laundry (washer & dryer), fireplace, and the kitchen (burner, oven, refrigerator).
